**Speaking Icons Dr. George C. Fraser and Les Brown Collaborate for the First Time in New Book
with 31 Inspiring Leaders.
*Mission Unstoppable: Extraordinary Stories of Failure's Blessings***

FOR IMMEDIATE RELEASE

Cleveland, Ohio, December 1st, 2014 – *Mission Unstoppable: Extraordinary Stories of Failure's Blessings* is a collaboration of stories that depicts the struggles of 31 inspiring leaders and the challenges they faced while traversing their personal and professional road to success. *Mission Unstoppable* reveals these inspiring leaders desire to reach their goals and reasons for not giving up. "Failures and mistakes are the precursors of success. If you are not doing both, you are not taking any risks and success will elude you." Says Dr. George C. Fraser, Americas Top Networking Guru.

Inspired by Dr. George C. Fraser, author of 5 best-selling books including *Click* and *Success Runs in our Race*, and recently inducted into the Minority Business Hall of Fame and Museum, with America's number one motivational speaker, Les Brown, this book will fill you with inspiration and passion to achieve your own dreams and be unstoppable.

Dr. George C. Fraser is Chairman and CEO of FraserNet, Inc., a company he founded some 28 years ago, to lead a global networking movement for people of African descent. Born in Brooklyn, NY, he was an orphan and foster child for 15 years. He's written 5 best-selling books to include: *Success Runs in Our Race*, *Click* and most recently, *Mission Unstoppable: Extraordinary Stories of Failure's Blessings*, a book he co-authored with Les Brown. *Upscale* Magazine named him one of the "Top 50 Power Brokers in Black America," and *Black Enterprise* magazine called him "Black America's #1 Networker". He's been featured on 7 national magazine covers, and has received 350 awards and citations to include 2 honorary Doctorate Degrees and an Ambassadorship. He's been married to Nora Jean for 42 years and has 2 sons. Dr. Fraser is most proud of the 2 African-centered charter schools he helped found which educate nearly 300 inner city Black children, of which 70% are boys.
